Italian Language 

Cloud Engineer passionate for DevOps technologies and open source. I am a pretty autonomous person, team oriented and lover of "well-made things." I like to arrange myself well to reach targets even with short time available without enjoying what I love to do.

Skills

- Linux OS
- Ansible
- Terraform
- AWS Cloud
- Team Work
- Project Management

Experience

SEPTEMBER 2021 – PRESENT

Sr. Cloud Devops Engineer - Yoox-Net-A-Porter Spa, Milan
